A Positive Life NSW Project:  
a script writing workshop for people with HIV

Are you HIV+ and have a story to tell about living with HIV in Sydney in 2009?  
Would you like to learn how to use your experience and imagination to write a short script for performance,  
to see your work produced and your story told?

**Please apply** for **PositiveAct** by sending us a short outline (no more than 500 words) of why you're  
interested and what you would say in a **20 minute** script.

**Applications close Friday 3 July 2009** **T: (02) 9361 6011** **E: [admin@positivelife.org.au](mailto:admin@positivelife.org.au)**

This project has been funded by the HIV and related programs (HARP) Unit of Sydney South West Area Health Service.
